Home Warranty Quote Request via American Home Shield

Has your customer closed on the purchase or refinance of this property within the past 30 days? OR, does your customer plan on closing on the purchase or refinance of this property within the next 30 days? Yes No

(Due to compliance requirements, you cannot submit an application or complete a sales transaction for any Home Warranty within 30 days (before or after) the date the customer closes on or refinances their property. However, you may talk to your customers about the Home Warranty product provided by AHS during their home buying or refinancing process.)
